ABSTRACT

By a normative study an attempt is made to explore the anti-caste movement of India is an ongoing process. The said movement is not only very new but, it has its own long history. The real implementation of the movement we can find in our constitution. To create an ideal society in place of discriminations among the four Varnas by which Indian society would be replaced as an equitable society.

REVIEWER COMMENTS

- I discover no shortcoming at all with the routines, information examination, or conclusions.
- The work, as with all work advancing from this specific gathering, is generally sound.
- My remarks here are concerned singularly with the association of the composition.
- Thought of these focuses will, I accept, lead to an enhanced report that better shows the key ideas and conclusions.
